

APARTMENT 5

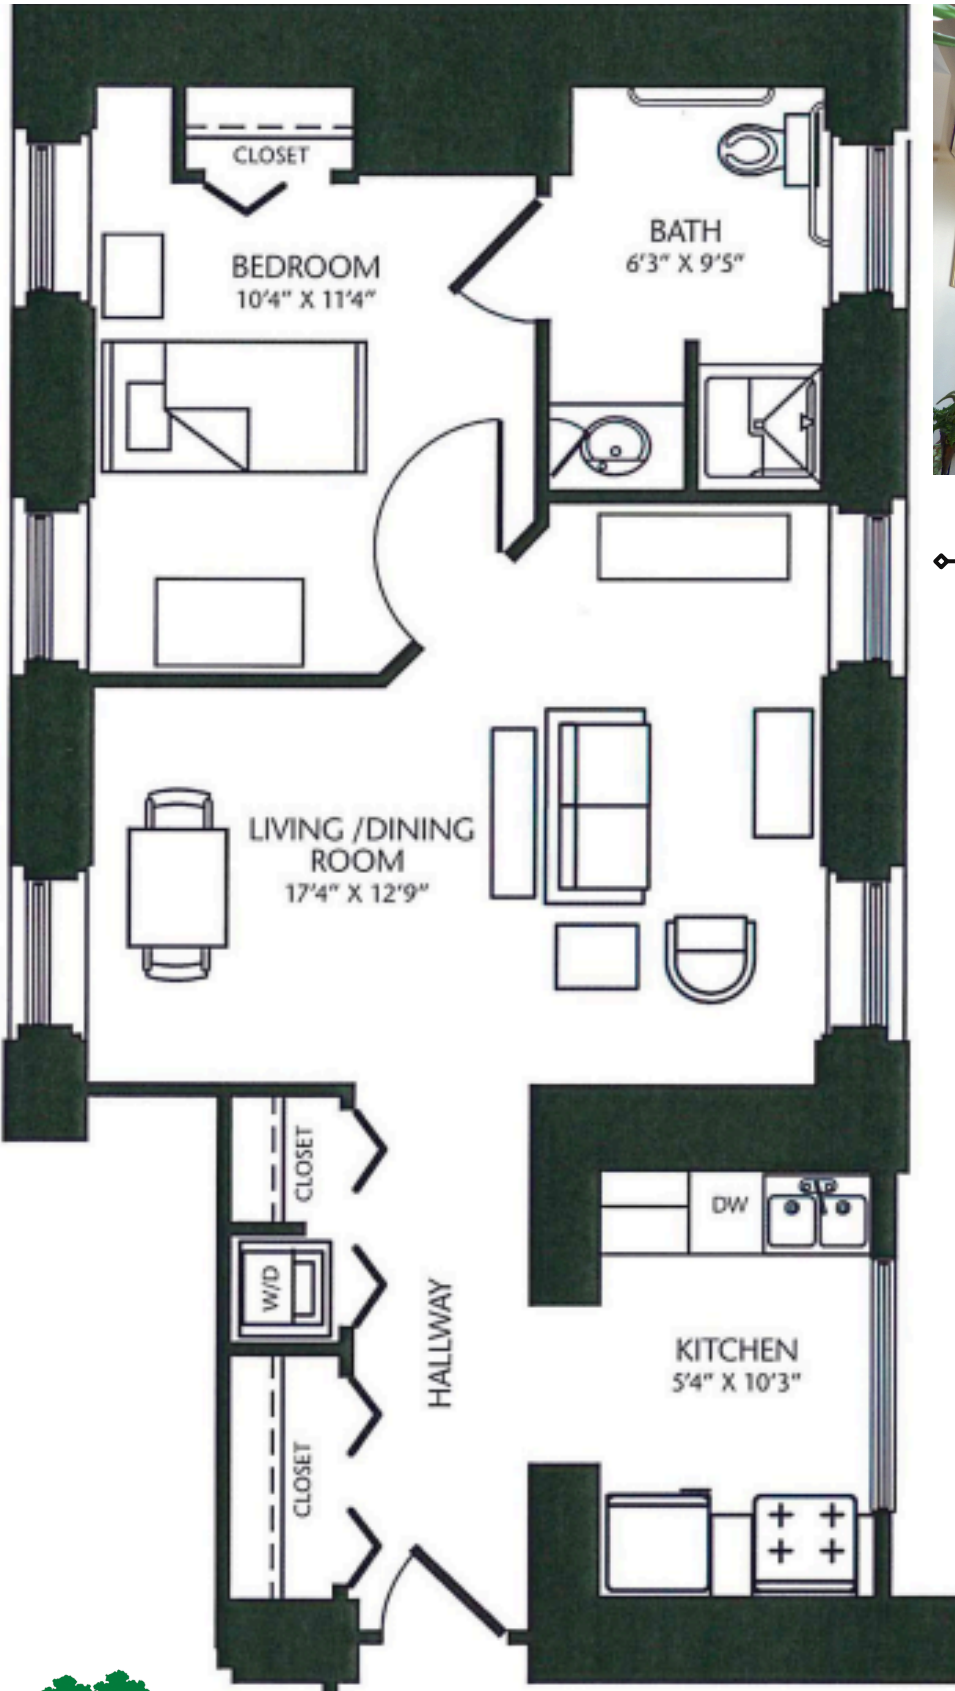

1 Bedroom 1 Bath

Discover the New Nature of Senior Living!

The historic Buckingham Mansion, built circa 1773 as the Ironmaster's residence, has been beautifully renovated to include seven distinct apartments, a reading room, and a music room. Each apartment offers modern conveniences while preserving the home's original architectural integrity. With breathtaking and expansive views of the adjoining meadow and stately trees, you will instantly fall in love with the Buckingham Mansion!
