Residential Living Fees

Cornwall Manor offers a variety of residential options including one- and two-bedroom apartments and single and duplex homes. Residents pay a one-time entrance fee to live in the home or apartment as long as they are living independently plus the assurance that higher levels of care are available when needed. There are two options of Entrance Fees:

The Traditional Plan - allows for a lower capital outlay and is reduced at a rate of 2% a month for fifty (50) months from the Date of Residency. After 50 months, there is no remaining capital.

The Asset Preservation Plan - allows for 50% of the entrance fee to be credited as a Health Care credit utilized for the care and services upon permanent transfer to a higher level of care. If a higher level of care is not needed, the amount will be refunded to the estate.

The Monthly Service Fee includes a wide range of services and amenities including utilities*, water, sewer, garbage collection, snow removal, lawn maintenance, interior and exterior maintenance, property taxes, property insurance, security, fitness center, swimming pool and much more! Complimentary Wireless Internet is available in apartments and common areas/resident amenity spaces. Telephone and cable television are not included in the monthly service fee. Housekeeping is included with apartments only, but available to all residents at a prevailing rate.
