ANNUAL REPORT

CORNWALL MANOR SOCIETY

ABOUT OUR SOCIETY

The Cornwall Manor Society is the auxiliary group of Cornwall Manor and was established in the spring of 1950. The Society, committed to our mission, has donated over \$3 million to Cornwall Manor. Included in the Society are the Cornwall Manor residents and supporters from the surrounding areas.

OUR MISSION

The mission of the Cornwall Manor Society is to support the ministry of Cornwall Manor by building relationships, both on and off campus, by providing opportunities for volunteers to bring services and programs to Corson Hall (Personal Care) and Health Center (Skilled Care) residents, and by raising funds for Personal Care, Health Center and Benevolent Care.

75TH ANNIVERSARY LOVE GIFT

As part of the 75th anniversary celebration of the Cornwall Manor Society, members were invited to participate in a special Love Gift. Donations were generously made in honor or memory of loved ones, residents, or staff. In keeping with the Society's Mission, the gift was used to enhance the quality of life for residents in the Health Center. This spring and through out the summer and fall seasons, an outdoor sail shade covering of the Health Center paved brick patio will provide extended hours of outside enjoyment and sun protection. The response to the appeal was amazing, raising over \$25,000! We are very grateful to all who contributed and to Pat O'Neill and Ginny Badger for co-chairing this special project.

MEMORIAL & SPECIAL GIFTS FUND

The Memorial & Special Gifts Fund provides an opportunity for Society members, residents and family members to donate in honor of or in memory of a loved one.

As donations are made and the fund accumulates, the staff at Corson Hall and the Health Center are invited to submit requests from their “Wish Lists.” The Executive Board reviews the requests and makes recommendations to the Society membership for approval.

2025 PRESIDENT'S MESSAGE

Our 75th Anniversary Year, and what a happy and exciting year it was! We donated \$175,000. to Cornwall Manor for benevolent care, our highest amount ever. All of our fund raisers were very successful and were carried out with much care by our hard working volunteers. Our anniversary created a very positive feeling which motivated us to new heights in our fund raising. Our events included two very successful gift card campaigns, the Blooms Festival, our theatre event, our newly organized Bingo, and the “Cookies, Crafts, Carols and More” affair which featured two live reindeer and a newly established “Cocoa Lounge”. We created some new activities which included “Lemonade in the Shade” where we put our photo albums on display for all to view and served lemonade and cookies. It was a great time to share the fun of the pictures in the albums. Another new event was “Cider ‘n Snaps.” Apple cider and ginger snaps were available for all to come and enjoy. This event was a special “Thank You” to our many dedicated volunteers.

A very special highlight to end our anniversary year was the creation of luminaries, our first ever. Our residents worked together to make luminaries from plastic milk cartons to display outdoors around the campus. It was a lot of work and a lot of fun. The volunteer response was terrific! The residents really enjoyed the warm holiday atmosphere created by the lovely lights, glowing on the surrounding snow in the dark nights.

We can't forget our two very special campus stores operated by the Society, the Manor Shoppe, a gift shop and convenience store, and the Treasure Trove, a thrift shop. Both are run by the volunteers and provide substantial revenue for the (cont.)

Society. Our dedicated volunteers work very hard to make both of these stores very special and a service to our residents, as well as to the community. The Memorial and Special Gifts Fund also raises money and provides a meaningful way to remember or honor family and friends. All funds are contributed to benevolent care.

All of the above activities were accomplished because of our wonderful, very enthusiastic, hard working volunteers, and our very dedicated, hard working liaison, Vicki Deitzler and her assistant, Tracy Stickler. Both were a great help in many ways and a strong support for all of us. Very special for me was the opportunity to work with all of these outstanding people. Our volunteers put in many hours of hard work with much patience, love, and dedication. I was impressed with the time, talents, and accomplishments they so willingly offered.

A deep feeling of gratitude flows over me when I realize how much extra care our volunteers offer to our Health Center and to Corson residents, as well as the campus residents. So many enrichment programs, parties, and various forms of group and individual help were provided. The lives of all our residents were richer and more meaningful because of our great volunteers.

As I finish this very special and wonderful year, I have a deep feeling of peace, hope, love, and gratitude, and I wish the same for all of our Cornwall Manor Family. You are all very special and indeed, the BEST !

With Sincerity,

Carol Holt, President, Cornwall Manor Society

FUNDRAISING

Treasure Trove: The Treasure Trove is the Cornwall Manor thrift shop which is open to campus residents and the public. A wide variety of clothing, furniture, jewelry, books, decor and more are sold. This project is operated by residents and off-campus volunteers and is open on Wednesdays and Saturdays. Credit cards are accepted.

The Manor Shoppe: Located in the Freeman Community Center, this gift/convenience store features items such as greeting cards, decorations, fashion accessories, home items, chocolates/candy and grocery items. The Manor Shoppe is open Monday through Saturday and accepts credit cards. It is operated by volunteers.

Crafters: A very creative group of residents who meet on Monday afternoons to make a wide variety of crafts which are sold at our meetings and special events. All are welcome to join the group to relax, meet others and be productive at the same time. Funds raised from sales are donated to the Benevolent Care Fund.

Blooms & More Festival: This festival occurs on the first weekend in May and is open to the public. We spotlight a large variety of plants (many of which were raised at our organic Trailside farm), crafts, baked goods and homemade fudge. The festival also features a silent auction with donated items, artwork and themed baskets.

Theatre Event: Thanks to Bonnie and John Stangl for coordinating this summer project featuring the Lebanon Community Theatre's show "Mama Mia." A pre-performance reception was held in the Skylight Dining room and patio.

Cookies, Crafts, Carols & More: A festive way to kick off the holiday season, the Freeman Lobby was overflowing with tables of cookies, crafts, art work and wood crafts. Joyful voices echoing Christmas carols added to the feeling of a special holiday season.

REPORTS

HEALTH CENTER PROGRAMS & PROJECTS

We have a dedicated team of volunteers that transport residents from their rooms to Worship on Sunday afternoons and to the Beauty Shop on Mondays and Tuesdays.

Volunteers also bring the Shoppe on Wheels cart around to residents every Friday so the residents can purchase goodies to enjoy during the week.

Birthdays are celebrated monthly on each of the households with gifts provided for the celebrants by local churches.

The Winter Social was a festive time of pastries, music, and conversation. Elva Hurst, a chalk artist provided the entertainment. While listening to a narration of words and music, she drew a huge chalk picture. The residents were amazed as the picture unfolded before their eyes.

Our Country Hoe Down Fun Fest was held in June with a picnic lunch and entertainment by the Tim McNett Band. Staff and volunteers dressed in cowboy attire and it was a fun day for all.

The Cornwall Manor Society also provided plants in the spring and fall for each of the outdoor porches.

Providing these events and services for the residents is greatly appreciated. It gives the residents something to look forward to and a change of pace in their normal daily activities.

CORSON HALL PROGRAMS & PROJECTS

Birthday Parties: Volunteers plan a birthday party each month for the residents. The monthly birthday party celebrants each receive a \$10 gift certificate from the Manor Shoppe. A variety of entertainment is provided and delicious refreshments are served. Special birthday events this year included small glass mosaic tiles (cont.)
